COLLECTION

Creating a beautiful and inviting outdoor living space takes a special touch with attention to every detail. Every decision and every choice makes a statement about style. Every color selection and every piece of furniture plays an important roll in the development of a peaceful haven for your guests. At Desert Island Collection we know what it takes to make an outdoor living space one that will leave a lasting impression, while being able to last a lifetime.

Desert Island Collection is positioned to coordinate outdoor living space for resorts, country clubs, restaurants and at-home environments. From high-traffic dining, pool and lounge areas to private backyard sanctuaries, our expertise is in finding the

right solution for your location, taste and budget. In each case, we listen to our client's desires and offer extraordinary solutions that add beauty, functionality and value to every project. When you're ready for something more, call Desert Island Collection.

We take great pride in presenting products that we know can stand the test of time, generation after generation. From Stone and Iron Works to Heat Resistant Tile and Grade-A Teak, Desert Island Collection's mission is to find unique, high quality collections that will surpass the expectations of our most demanding clients.

**It All Starts With the Right Furniture.** The best outdoor spaces start with the best outdoor furniture. From stylish Iron Works and Stone to the cozy comfort of Grade-A teak, Desert Island can locate the perfect fit for your location and budget. After initial consultation, Desert Island will present spectacular collections and well conceived designs that consider all of the most important aspects of great outdoor living – color, style and durability.

Artist Ken Parker

We are the exclusive distributors of the popular Ken Parker Collection, a visually stunning array of hand-painted umbrellas by artist Ken Parker. Painted using specially formulated billboard paint designed to resist fading, each umbrella will maintain its vibrancy year after year. Visit us online at [DesertIslandCollection.com](http://DesertIslandCollection.com) to see the entire collection.

**Get Made in the Shade.** Everyone knows the value of shade, and we offer the best Umbrella solutions available. From free standing units to table anchored systems, we have the umbrella for you. So whether you're looking for an umbrella with simple understated elegance or the uniquely hand-painted umbrellas found in the popular Ken Parker Collection, Desert Island Collection can provide all the protection and shade you'll need.
